# *Creative Arts Tutoring Program*

## Welcome to Calvary Creative Arts

Calvary Creative Arts is a dynamic program that offers lessons for Voice, Dance, Speech and Drama, Strings, Woodwind, Brass, Drums, Guitar and Piano, through skilled and specialised Tutors that come to the College each week. The Arts is valued at Calvary for the following reasons:

- Research indicates that Arts Education not only has the benefits of self-expression and enjoyment, but is linked to improved cognitive function, increased language development from an early age, and positive social interaction.
- It teaches commitment and perseverance
- Watching students grow in confidence is extremely rewarding.
- It is a reflection of our God, the ultimate creator (Genesis 1)
- The word of God has an abundance of expression of praise to Him, encompassing voice, many different instruments and dance (Psalm 150:1-6)

Our Creative Arts students have the opportunity to take part in:

- 30 minute weekly lessons to develop their gifts and talents (60 mins for Speech)
- Various ensembles, subject to availability
- Several performance opportunities throughout the year
- Grade 3 Strings Program or Grade 4 Band Program (students are selected by aptitude for suitability for this program – places are limited).
